It's easy to do the right thing when you're sincere and genuinely have only the interest of the people at heart. Thank you President Trump for being the shining light in our crooked world.

Wonderful. We luckily don't need any prescriptions, but what a blessing for those who do. You are amazing President Trump! Love and Blessings. Trump 2020-2024.

Never thought I would live to see the day when a President would take on Big Pharma. Obama caved in. Trump has incredible courage.
